NOTICE

REVISION OF THE MEALIE MEAL IMPORT QUOTA FOR HOUSEHOLD CONSUMPTION

- 1.** The Public shall be aware that in response to the drought experienced in 2015/16 planting season, the mealie meal limit to be imported for household consumption was reviewed to 100kg per household as a measure to mitigate the drought effects.
- 2.** Pursuant to good maize harvest the country enjoyed in the 2016/7 season and the heavy decline in maize prices realized in the regional markets, NAMBoard convened a stakeholders' meeting to review the mealie meal import limits set last year as agreed in December 2016.
- 3.** NAMBoard wishes to announce the decision reached by the stakeholders to the effect that mealie meal permitted to be brought into the country by an individual for household consumption be revised back to the Twenty Kilograms (20kg) limit.

4. The public is informed that this revision shall come into effect from the 8th October 2017.

5. Individuals importing mealie meal for household use shall continue to declare their consignment at the border to ensure effective regulation and reporting to all the stakeholders.
